We have seen this happen a few times over the past month and is primarily due to Perishable goods, Livestock and medical supplies taking priority over any other type of goods being shipped.</p> <p>We are also aware that our supplier is struggling with timber shortages at the moment. We are sorry for the inconvenience of this, upon checking with a few other suppliers it seems the timber shortage is a global issue at the moment.</p> <p>We have been advised the shipment your order is in is now due to dock in the UK towards the end of July. It can then take up to 5 working days for the container to make its way to our warehouse in Cornwall after it has docked.</p> <p>We completely understand how frustrating this is, and we can only apologise, we have been advised that, although there is still a Global Shipping Crisis, there have been significant improvements in key areas of shipping that should start to ease the pressures and delays that everyone is experiencing.</p> <p>We are really sorry that we could not fulfil your order sooner and we really appreciate your patience. We are doing our very best during these unusual times.</p> <p>Once your order is ready, we will email you your full delivery details and the courier will be in touch directly to arrange delivery.</p> <p>If however this lead time does not suit, we can of course cancel and refund your order.</p>
20/04/2021	272b	Tree Risk Assessment	Agreed to appoint Evolve Tree Consultancy	<p>https://millbrook-pc.gov.uk/wp-content/uploads/2021/07/2021.07.02-Evolve-Tree-Consultancy-Survey-report.pdf</p>
18/05/2021	10	Path in the Graveyard	Parishioner to cover the costs of a path in the graveyard	<p>To be reviewed – Tender to be produced / quotations sought in October / November.</p> <p>It was agreed the Council would accept a donation but the order would need to be placed by the Council.</p> <p>Email detailed required sent to parishioner:</p> <p>Email sent to parishioner:</p>

20/04/21	274		Council to fund path in the graveyard	<p>The Council would be pleased to accept a donation to cover the cost of the graveyard path.</p> <ul style="list-style-type: none"> • Prior to commencement of the works the appointed contractors will need to complete risk assessments. • The donation will be earmarked specifically for this project (covering costs for labour and material) • The Council will pay for materials. • On completion of the works, and once approved at a Full Council meeting, and on receipt of an official invoice the Council will pay the appointed contractors invoice. • If at the end of the project there are funds left over these will be reimbursed to you. <p>(a) Council agreed to extend the path in the graveyard. (b) It was agreed the Council will revisit the decision in 6 to 8 months, once things have settled down in the supply chain, at which point the Council would decide whether to organise the works.</p>
16/02/2021	242b	Councillor emails	Use of designated emails	<p>The Chair has circulated some guidelines. In August 2020, The Clerk produced a report detailing the reasons for using designated Councillor email addresses: (i) If a Freedom of Information request is made access may be required to personal email addresses (ii) if a Councillor leaves the Council that email address leaves with them. (iii) use of designated email address is more secure. The Council voted to use gov.uk emails using the gsuite (now known as google workspace) Googledrive can be used for document sharing without the need to download information onto personal computers (Note: there are data protection issues relating to downloading confidential and sensitive information on personal devices. Recommendation: After the elections, the use of googledrive needs reviewing. If it is not being used to its full capacity options need to be considered (i) training for googledrive (possibly in a physical meeting), alternative document sharing system needs to be investigated or funding for separate devices looked into. I have spoken to another Clerk in Cornwall who uses googledrive for sharing meeting documents and the Clerk has advised me the system works well. https://www.nalc.gov.uk/library/our-work/jpag/3479-practitioners-guide-2021/file https://www.nalc.gov.uk/library/our-work/jpag/3480-practitioners-guide-changes-2021/file P61, 5.169. New section on e-mails The addition of a section on the importance of smaller authorities using secure e-mail systems and gov.uk addresses re-enforcing last year's letter from the Chair of JPAG encouraging every authority to have its own e-mail address which is owned by the authority rather than relying on the use of personal e-mail addresses that can change regularly. This will reduce the risk of correspondence going astray or being delayed.</p>
16/02/2021	240f	Skatepark repairs	Council agreed budget of £1,200 to repair the jump box and include modifications	<p>Since February 2021, there has ben several reasons for the delay in installation</p> <ul style="list-style-type: none"> • Liaising with the skate park users and Aaron Barrett communication with the contractor, Twisted Metal Art regarding the required additional left. • Waiting for the framework to be ordered and come back from the fabricator. • Poor weather conditions • The ill health of Twisted Metal Arts' proprietor, who was hospitalised.

				<ul style="list-style-type: none"> The contractor being signed off work On returning to work the contractor had commitments with Mount Edgcumbe estate. On Wednesday 14th July the Clerk was advised the framework had been stolen from the Twisted Metal Art's rented premises. Twisted Metal Art have ordered more materials and a police crime reference has been supplied. Other contractors have been approached, in case Twisted Metal Art are unable to complete the work. An agreement has been made that the works will be completed (without the extension) by Friday 23rd July 2021.

Soil toxicity report received from Cllr Polák – to be shared with all members.</p>
17/09/2019	46A	Climate Change - Electric Chargers	Council agreed to Plug n Go’s proposal to install EV charging points in the Village Hall car park	<p>Still outstanding need to contact solicitor. Clerk will try Hedley’s (they attend SLCC conferences)</p> <p>04/12/2020 – Clerk emailed Evans Harvey Solicitors to see if they could provide a quotation to review the documents and sign off the agreement.</p> <p>27/11/2020 – The Chair & Vice Chair discussed the options and it was felt safe access by the works be an issue. Other options were thought about. The football club was deemed too far away. As the project would not cost the Council anything it was agreed to progress. If required, in the future, the Council could look into additional charging points.</p> <p>25/11/2020 – Discussion with CC Trubody who advised he did not think the Village Hall car park would be the most suitable location. He was concerned if a vehicle parks in front of the charging point action could not be enforced. (West Street Car park had previously been investigated and it was considered not feasible. GT suggested the car park by the Peninsula Trust work units.</p> <p>21/11/2020 – Feedback from a fellow Clerk “This is a list of networks.</p> <p>Every time you go out in an EV you have to plan where to charge if want to travel more that 100 miles in</p>

				<p>a round trip (for me that is). https://www.zap-map.com/.../public-charging-point-networks/ This is yet another network and another app! Two key points - rapids 30 min charge and fast 4+ hours of charge. We need more rapids in rural locations that work! Best place for a rapid is next to a coffee shop (or similar).”</p> <p>11/11/2020 – Phone conversation with the Parish Clerk for Milborne Port Parish Council. The agreement was made before the current Clerk was in post. Despite chasing, he has never received any paperwork or bills from Plug n Go.</p> <p>10/11/2020 – Email from Rradar, the Council’s insurers legal department “Many thanks for the documents. I see that the parties intend to conclude a formal lease arrangement (rather than a licence) which will be registered at HM Land Registry. As we do not undertake conveyancing transactions of this nature I am afraid that we are unable to help you on this occasion.]</p> <p>09/11/2020 – Due to Covid & change of staff etc. Clerk had a discussion with the Office Manager and it was agreed to defer progressing until the new year.</p> <p>01/11/2020 – Keith from Plug N go was off work on sick leave.</p> <p>27/10/2020 - received the following ‘I am a solicitor in the Commercial Department and your query has been passed to me for review. The station scheme provides general comments and guidance only and does not extend to a review of specific documents. However, if you could send me a copy of the Licence I will see how I may help on that basis.’</p> <p>23/10/2020 - Contacted the Council’s legal department from our insurance provider</p> <p>20/10/2020 - Email received from Plug N Go ‘We are getting back to normal and ready to get cracking and with that I wanted to see if we can send the final agreement to you to be sent over for signing? Everything else is all aligned and wondered if you can confirm. Look forward to hearing from you. Kind Regards, Keith Hounsell - Founder & CEO</p> <p>Attachments include:</p> <ul style="list-style-type: none"> ▪ Signed Lease, Proposed Head of Terms ▪ Signed letter of intent ▪ Image of Village Hall car park ▪ Town & Country Planning (General Permitted Development Order) (England) Order 2015 ▪ Email communication from Ryan Hamill, former Clerk regarding planning permission ▪ Request for a draft 3 year lease – V3 ▪ Western Power budget estimate letter ▪ Plan option 1 & 2 ▪ Plan option 3 <p>July 2020 Update from former Clerk (RH): WPD Ref: 3558470 No contact since lockdown - last communication between Keith & Dave 11/03/20: Good afternoon Dave, Thank you for your time earlier and herewith is the cabinet sizing and spec that we should be getting from Lucy Zodion. Historic outstanding matters

Minutes of Meeting 19/02/19 – Minute 105

105) **Does the council wish to commission a professional asset valuation at a cost of £1275.00?** It was proposed by Cllr Roberts and seconded by Cllr Meeson that the Council commissions a professional asset valuation at a cost of £1275.00. Motion carried with 1 abstention

Minutes of meeting 20/11/2018 – Minute 69

R) **Professional asset valuation still seeking quotes** – seems to be a specialized service that many of the well-known companies are unable to facilitate. Awaiting response also from Cornwall Council.

Weed control

Minutes of meeting 16/07/2019 - Minute 35L (Matters arising from the minutes and review of actions)

L) Use of herbicides to control weeds: The Clerk informed the Council that both Cllr Taggart & Cllr Vincent had attended a Cornwall Council Alternatives to Pesticides Workshop. Both members gave updates to the Council, stating that there are a number of potentially feasible alternatives, such as steel brushes for the mechanical sweeper, hot foam or infrared heat treatment. The matter was then discussed at length by various members of the Council. Cllr Taggart summarised the matter by stating that he felt the way forward may be to trial all of the alternatives and that an audit of surfaces & locations would need to be drawn up. Finally, he added that one other alternative presented was to change people's opinion on what a weed is i.e. do nothing and let so-called weeds grow naturally

Minutes of meeting 19/11/2019 - Minute 67H (Matters arising from the minutes and review of actions)

Use of herbicides to control weeds: Audit of areas in which the Council wishes to control weeds completed by Cllrs Taggart & Lewis. Quotations for various methods of weed control will be sought before the next meeting of the full Council.

w/c 13/07/2021 – Messages and email sent to Foamstream contractor requesting a trial.

Climate Change

Minutes of meeting 16/07/2019 - Minute 35N (Matters arising from the minutes and review of actions)

The Clerk updated the Council on this matter stating that himself, Cllr Woffenden (the Council's Climate Change Liaison) & Cllr Polák attended the first meeting of the Rame Peninsula climate change group. Cllr Polak added that there was a very interesting project looking at waste on the peninsula and if we could recycle it locally. Both Councillors also stated that the work already being undertaken by the Council was very well received. Cllr Meeson stated that having spoken to Waterwise, he had been Millbrook Village Hall, The Parade, Millbrook, Cornwall PL10 1AX Telephone 01752 823128 Email theclerk@millbrook-pc.gov.uk advised that the idea of providing public drinking water in the Tanyard may not be feasible due to hygiene concerns. Cllr Wilton asked if the idea of recycling plastic to be used in roads had been discussed. The Clerk stated that it was not discussed at the meeting

Plastic free initiative

Minutes of meeting 19/11/2019 – Minute 70

70)es the council wish to support the plastic free rame initiative by: A) REMOVING SINGLE-USE PLASTIC ITEMS FROM ITS PREMISES?
