

Millbrook graveyard – extension of path

Contractors are requested to submit a tender to extend the path in Millbrook graveyard

The path required will need to be approximately 16 metres in length, extending from the existing path (fig 1) taking it close to the bank edge (fig 3), around the small garden area (figure 2) and towards the bench (which is situated by the garden area)..

Specifications:

4" hardcore / 4" concrete

Approx 16m length x 1.2m width.

Expansion joints and root barrier membrane to be used.

Contracts are advised to visit the site prior to submitting their quotations.

The Council will require:

- A copy of the contractor's public liability insurance certificate.
- A risk assessment
- Method statement

Contractors who have not completed work for the Council will be required to complete a [contractor application form](#).
