Attending 999 calls in advance of the ambulance or Paramedic in an attempt to cover the 8-minute CPR requirement.

## Project Details

### Please outline the details of the project for which you are seeking funding from the Council

We fundraise for the Responder Car and extra equipment not provided by SWAST. Fund-raising has decreased substantially recently and we would like to ensure we remain sufficiently solvent to continue to be capable of offering a continuation of the service we have provided in the past. However, if we found ourselves in the situation of having insufficient finance to own and run the car, the service we provide would be much diminished.

Hence we ask that you plus other local PCs help cover the cost of the Responder car.

### Who will benefit from the project?

All ages.  
Geographically whole parish

**Approximately how many of those who will benefit are parishioners?**

All parishioners could/would benefit. Also benefitting would be those from MWR.

**Amount of funding requested**

£ 700.00

**Overall cost of your project**

£ 2,455.00

**If the total cost of your project is more than the grant request, how will the balance be financed?**

We still anticipate doing whatever fund-raising we can.
