Number of members within your organisation	
	6-15
Describe the overall aim of your organisation and the activities or services it provides.	
	We are the committee that organise and run the annual May Day event for Millbrook, Kingsand and Cawsand, The Black Prince Flower Boat Festival. This event welcomes Spring and is a full community event, involving both schools, preschools and other local organisations. It brings hundreds of visitors to the villages, kick starting the summer season and giving a welcome boost to all our local businesses.
Project Details	
Please outline the details of the project for which you are seeking funding from the Council	
	Historically, the event has been underwritten for insurance purposes by the Rame and Torpoint Lions, the Lions have then had bucket collections to raise money for themselves on the day. Unfortunately, there has been an issue discovered with their insurance provision which has meant that they can no longer provide insurance for these type of events. This is something that is not just affecting our event, but all Lions events across the Country. The Black Prince crew must now find funds to insure this event at fairly short notice, to cover the event fully we are expecting this to cost up to £750. In addition to this, we now have to provide portaloos in Venton House for the Millbrook portion of the day, and first aid cover that was previously providing for free from St Johns Ambulance. These are sudden costs that we haven't had the opportunity to fund raise for this year.
Who will benefit from the project?	
	We estimate that around 500 people attend the Millbrook part of the event. Residents and young people in Millbrook, through a fully inclusive community event, reinforcing our strong community feeling in the village. Children that attend Millbrook school, taking part in the May Pole dancing, and a traditional folk/Cornish May day event.

Businesses such as shops, pubs and cafes in the village with an increase in business and trade.
Approximately how many of those who will benefit are parishioners?
approx 70%
Amount of funding requested
£ 500.00
Overall cost of your project
£ 1,800.00
If the total cost of your project is more than the grant request, how will the balance be financed?
We are requesting a grant of £500 from Maker with Rame PC as the event benefits their community as well, we also have been fundraising since last year so have built up some funds but will have a shortfall.
