New children's roundabout for Millbrook's Tractor Park

Last month a new inclusive roundabout was installed after the previous 10-year-old roundabout was deemed beyond economical repair. A new path has been created in the play park to improve the often-muddy entrance and providing easy inclusive access to the roundabout.

In July 2022, the entrance to the park was relocated so that it was further away from the road. A picnic bench was installed between the play park, skatepark and dog-walking field.

Maintenance repairs have also been completed on the tractor and renovation works will continue in the summer.

Regular maintenance checks are carried out in the play park but if you spot anything that needs attention please contact the Council.

Tractor Park Update

The clatter bridge section of the multi play unit in the Tractor Park is currently out of use. An order has been placed and we are awaiting replacement parts for repairs to start as soon as they are received in mid August. Apologies for any inconvenience caused.

Best wishes
