Action	Owner	Due Date
We will list on our website the actions we are taking to reduce our carbon footprint - Nicky provided list. SW to develop list for facebook page. To include seeking additional volunteers.	SW	April 25
EW contacting bike space about possible shared bike loan scheme in Millbrook. They are not doing it anymore. ACTION COMPLETE.	EW	complete
Promote Repair Cafe at Millbrook School - EW contacted school, in progress. EW doing window display at Rame Centre April/May 25. SW got some photos for EW to use.	EW	Jun 25

1. Actions from Previous Meeting:

2. We welcome additional members - no new members this quarter

3. Training / Liaison – Liaison - Nicky council rep on CAP (29 parishes), they have a Climate Group which a C&A member could take on. Could we get an expert in and run a public talk?

4. Repair Cafe - Going from strength to strength. Most things get fixed. Very positive response from the public. Sarah to message Paul (electrician) if he would come along. Still no reply from Maker with Rame despite several emails and answer phone messages over the last few months..

5. Slate signs - we could borrow them to put around lake x10 A3-2 signs, ⅓ rd goes in the ground, Possibly Pete could put them in &get them out before the end of July. SW to ask about potential damage/insurance. Could go in at the same time as the yellow signs. Propose to the full council slate signs.
