

Millbrook Parish Council Environment and Climate Change Policy

Policy statement

Millbrook Parish Council aims to carry out its activities with environmental efficiency, actively seeking to protect and enhance the local environment and biodiversity within its area of operation whilst endeavouring to ensure wider adverse environmental impact does not occur as a result.

Context

Millbrook Parish Council recognises that a climate emergency has been declared at national, regional and within some organisations, local level.

At the Annual Parish Council Meeting, held on 21st May 2019, Millbrook Parish Council voted to declare a climate change emergency.

The Parish Council will consider the impact its activities have on both climate change and biodiversity issues and will endeavour to introduce measures that either mitigate negative outcomes or actively support beneficial outcomes, where this is practicable and affordable within the resources and financial capabilities of council.

The Parish Council will specifically consider the following:

- the impact that operating its assets has on the environment,
- the impact that the goods and services it procures, including the environmental commitment of its suppliers, has on the environment,
- where possible and appropriate, replacing environmentally inefficient assets with environmentally friendly alternatives.
- the impact that execution of the Parish Council's activities may have on the environment.

Aims

In all its activities the Parish Council will aim to;

1. Minimise the consumption of all resources used in its operations, particularly in respect of the buildings and
2. Equipment it uses and the administration of its activities.

3. Seek, wherever possible, to only use contractors and suppliers who have their own environmental policy,
4. Which is continually reviewed, updated and measured against recognised, best practice examples.
5. Where possible, affordable and commensurate with Parish Council powers and duties, support local
6. Initiatives aimed at climate change and or, biodiversity protection or enhancement.

Principles

Millbrook Parish Council will strive to;

1. Meet all relevant environmental legislation and regulations
2. Regularly update and improve standards in light of increased understanding and knowledge.
3. Avoid the creation of unnecessary waste by adhering to a policy of considered, strategic purchasing.
4. Recycle and reuse waste materials where possible.
5. Dispose of all necessary waste through safe and responsible methods.
6. Investigate the use of sustainable energy sources
